

Table IV. Training Record of Participating Faculty for the Previous Ten Years
(Alphabetically by Faculty Member)

For each faculty member identified in this application, list all past and current students for whom he or she has served as thesis advisor or sponsor.

If a faculty member has not had predoctoral or postdoctoral students, indicate this.

Rationale: The training experience success of a preceptor can be gauged by the number of previous trainees he or she has sponsored and their subsequent career paths.
